HAT+ wordmark

If your HAT has been designed to meet the [HAT+ specification](#),
you are permitted to use the HAT+ wordmark where relevant.

We have supplied .dwg, .eps, and .svg files for use on silkscreen,
packaging and online.

Usage

Please ensure you use the wordmark appropriately. The logo
should not be misinterpreted or modified. It may only be used
for HATs that meet the [HAT+ specification](#).

Minimum and Maximum sizes
As a guide we recommend the wordmark should be no smaller
than 2.25mm high and no bigger than 5mm high

min. HAT+   max. HAT+

Colour
The wordmark should be either black or white. Choose
whichever provides the most contrast
